Easter week 1 - Puppets Galore

Puppets Galore promises a week of puppet fun. We kick start Monday with a visit from AMA Theatre company and their performance of 'The King's Cake'. After the show the children will have the chance to explore how puppets work and make their own puppets during the puppet workshop.

Over the rest of the week the children will be designers, creators, makers and performers of their own puppet shows!

On Friday, all of their creative work will come together as they put on their very own puppet show for their Holiday Club friends.
